

EMBO Conference

Ubiquitin and SUMO: From molecular mechanisms to system-wide responses

15 – 19 September 2017 | Cavtat-Dubrovnik, Croatia

ORGANIZER

Frauke Melchior
ZMBH, Heidelberg University, DE

CO-ORGANIZERS

Ivan Dikic
Goethe University, DE

Brenda Schulman
St. Jude Children's Research Hospital, US

Ron Hay
University of Dundee, UK

REGISTRATION

Registration deadline

1 July 2017

Abstract submission deadlines

See website for details

Student/Postdoc400 EUR

Academic450 EUR

Industry.....600 EUR

Accompanying Person400 EUR

CONTACT

UBIQUITIN.EMBO@ZMBH.UNI-HEIDELBERG.DE

SPEAKERS

Anne Bertolotti
MRC LMB, UK

Heran Darwin
NYU School of Medicine, US

Anne Dejean
Institut Pasteur, FR

Ivan Dikic
Goethe University, DE

Vishva Dixit
Genentech, Inc., US

Mads Gyrd-Hansen
University of Oxford, UK

Wade Harper
Harvard Medical School, US

Ron Hay
University of Dundee, UK

Thorsten Hoppe
University of Cologne, DE

Fumiyo Ikeda
IMBA, AT

Claudio Joazeiro
Heidelberg University, DE

Rachel Klevit
Univ. of Washington, US

Michael Knop
Heidelberg University, DE

David Komander
MRC LMB, United Kingdom

Chris Lima
Sloan Kettering Institute, US

Maria Masucci
Karolinska, SE

Mike Matunis
Johns Hopkins University, US

Frauke Melchior
Heidelberg University, DE

Michele Pagano
New York University School of Medicine, US

Matthias Peter
ETH Zürich, CH

Andrea Pichler
MPI Freiburg, DE

Simona Polo
IFOM, IT

Anna Sablina
VIB Laboratory, BE

Brenda Schulman
St. Jude Children's Research Hospital, US

Claus Schwechheimer
TU Munich, DE

Lea Sistonen
Åbo Akademi University, FI

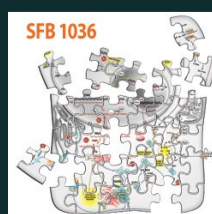

Titia Sixma
Netherlands Cancer Institute, NL

Thomas Sommer
Max-Delbrück-Center, DE

Helle Ulrich
Institute of Molecular Biology, DE

Kylie Walters
Center for Cancer Research, NCI, US
